

Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Monday 01 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Dry with plenty of sunshine. Light winds.

Today:

Dry and sunny with early mist and fog patches gradually dispersing. Cloudier across Shetland with chance of a light shower. Low cloud will develop along parts of eastern Scotland this evening. Feeling pleasant in sunshine with light winds.

Tonight:

Staying dry with clear periods and a frost in the west. Mist and low cloud will become extensive across eastern Scotland and extending through the Central Lowlands to Glasgow area.

Tuesday:

Another dry day with plenty of sunshine across western Scotland. Mist and low cloud will linger all day across eastern Scotland and parts of Central lowlands. Light winds.

Outlook for Wednesday to Friday:

Most places will stay dry with some sunshine and light winds. There may be a few showers in northeast on Thursday, wintry on hills as it turns colder.
